

# Alternative F

## *Arctic National Wildlife Refuge*

### Alternative F

Alternative F would adopt proposed goals, objectives, and revised management guidelines and policies.

#### Issue 1: Wilderness

No new Wilderness recommended.

#### Issue 2: Wild and Scenic Rivers

No rivers recommended. Use existing management tools to maintain values on the Atigun, Hulahula, Kongakut, and Marsh Fork Canning rivers.

#### Issue 3: Kongakut River Visitor Use

All of Alternative A, plus

- increased education & outreach with targeted messages for minimizing impacts
- publish guided launch schedule
- conduct site rehabilitation
- evaluate effectiveness of management actions
- address Kongakut in step-down plan
- step-down plan would decide how to enforce permit compliance and visitor use regulations
